TOWN MEETING - MARCH 8, 1966

Annual Town Meeting, Town of Londonderry, County of Rockingham, State of New Hampshire, Tuesday, March 8, 1966, at the Londonderry Central School. Moderator - Andrew C. Mack.

Meeting called to order at 10 A. M. Warrant was read.

Mr. C. Hall was recognized. "Mr. Moderator I move that the meeting proceed immediately to consider Article #15 of the warrant, relating to the adoption of subdivision." Second by A. Cote. Affirmative vote.

"Mr. Moderator I move the following resolution. Resolved: That the subdivision, as set forth in Article #15 of the warrant, be the same hereby adopted." Second by G. Hicks. Affirmative vote.

"Mr. Moderator I move that the voting for the adoption of the foregoing resolution be by ballot and the use of the checklists, and that the polls remain open for such balloting from 10 A.M. to 7 P.M." Second by A. Cote. Affirmative vote.

Mr. A. Cote was recognized. "Mr. Moderator I move to proceed to Article #1 and vote by ballot." Second by C. McInnes. Affirmative vote.

Ballot boxes were checked and polls declared open.

Polls closed at 7 P. M. and Meeting was called to order.

Article #1. To choose all necessary Town Officers for the year ensuing.

Voted by ballot:

Town Clerk

Alice M. Taylor

680

Tax Collector

Alice M. Taylor

668

Selectman	
Roger D. Anderson	98
David W. Emond	82
Fred J. Griffin	413
Earle L. Soule	102
Alphege P. Theriault	27
Town Treasurer	
Beulah Crosby	635
Auditors	
Charles H. Hall	584
Andrew C. Mack	575
Thomas C. Sumner	565
Trustee of Trust Funds	
Kenneth P. Hill	601
Leach Library Trustees	
Mary P. Reed	534
Ruth G. Watts	554
Myrtle P. Wing	574
Road Agent	
Richard S. Moore	451
George Thomopoulos	273
Budget Committee	
Roy P. Avery	549
Charles H. Hall	586
George P. Hicks	559
Donald L. Laferriere	302
August A. Strino	474

Article #2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Ralph Dutton moved to accept total budget of \$124,152.02. Second by R. Webber. Each item was discussed at length. The Selectmen requested that \$2,000.00 be used for a Clerk to Selectmen instead of Selectmen's salary. Vote in the affirmative.

Article #3. To see what rate of discount the Town will allow on taxes for the ensuing year.

Mr. Dutton moved to accept the same rate of discount (1% - 30 days from date of tax bill) as previous years. Second by P. Gaskill. Affirmative vote.

Article #4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

G. Thibeault made a motion to accept article as read. Second by C. McInnes. Affirmative vote.

Article #5. To see if the Town will accept State aid for the construction of Class V Roads, and raise and set aside for said purpose the sum of \$1,378.62, and the State to contribute the sum of \$9,190.81.

J. Powers made a motion to accept article as read. Second by R. Landry. Affirmative vote.

Article #6. To see if the Town will vote to raise and appropriate the sum of \$4,600.00 for the purpose of conducting a comprehensive planning study of the town.

Mr. Webber explained the Comprehensive planning Study and moved that Article #6 be adopted as presented. Second by Mrs. N. Moore. Affirmative vote.

Article #7. To see if the Townwill vote to purchase the Linehan property containing 40 acres more or less for the sum of \$7,500. Part of this property to be deeded to the Londonderry School District if the School District votes to build a school on this location.

J. Powers made a motion to accept Article as read. Second by C. McInnes. Affirmative vote.

Article #8. To see if the Town will vote to raise and appropriate the sum of \$5,478.00 to pay for extending water line at Grenier Field.

F. Colman made a motion to accept Article as read. Second by C. McInnes. Affirmative vote.

Article #9. To see if the Town will vote to raise and appropriate the sum of \$2,110.94 expended for fill and grading at the recreational area at Londonderry Central School.

 $\mbox{G. Hicks made}$ a motion to accept article as read. Second by $\mbox{R. Webber.}$ Affirmative vote.

Article #10. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the continuance of work on the recreational area at Londonderry Central School.

Mr. Wing made a motion to accept Article as read. Second by J. Wray. Affirmative vote.

Article #11. To see if the Town will vote to authorize the Selectmen to appoint an Inspector of Buildings who shall hold office for a term of one year, and by vote fix and regulate his compensation as authorized by section 1, chapter 156, N. H. Revised Statutes Annotated, 1955.

 $\,$ Mr. Dutton moved the adoption of Article #11. Second by Mr. Powers. Affirmative vote.

Article #12. To see if the Town will vote to authorize the Selectmen to sell property acquired by the town, through Tax Collector's Deeds, at Public Auction.

Mr. Hall moved to adopt article as read. Second by Mr. Landry. Affirmative vote.

Article #13. To see if the Town will vote to authorize the Selectmen to purchase a fire truck that meets with underwriters' approval and to negotiate a five-year loan in the amount of \$20,000.00 to finance this appropriation. By petition of Homer L. Brewer, et al.

Mr. Brewer spoke in behalf of the Fire Truck and Mr. Powers moved to accept article as read. Second by Mr. Dutton. Affirmative vote.

Article #14. To see if the Town will vote to become a member of a Metropolitan Manchester regional planning agency. This agency will have membership of at least two of the municipalities in the Metropolitan area. The objective of this agency will be to plan for and encourage regional planning analysis, provide concensus on major problems of regional concern, and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency

will have no jurisdiction over any matter of local affairs. It will be, primarily, advisory. Two members of the regional planning agency shall be from Londonderry to be appointed by the Selectmen.

Mrs. Holton made a motion to table article until such time that the people could fully understand same. Public hearings suggested. Second by Mrs. McKinney. Negative vote.

Mr. Dutton moved to adopt Article #14. Second by Mr. Shepard. Affirmative vote.

Article #15. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, subdivision plats showing streets or the widening thereof, or parks, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Register of Deeds of the County of Rockingham, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

Voted by ballot: 444 in favor of Article #15 266 opposed to Article #15

Article #16. To see if the Town will authorize the Town Officers to sell remaining lots in Pleasant View Cemetery in plots of 2-4-6 and 8 graves each, prices to be \$20.00, \$40.00, \$60.00 and \$80.00 and ask perpetual care of \$100.00 a plot on the two and four grave lots and \$200.00 on the six and eight grave plots.

Mr. Thibeault made a motion to accept article as read. Second by Mr. VanGevenhof. Affirmative vote.

Article #17. To see if the Town will authorize the receiving of all future Cemetery Perpetual Care funds on the basis of all interest accrued in excess of that necessary for the particular lot to be used for general cemetery up-keep.

Mr. McInnes made a motion to accept article as read. Second by Mr. R. Cote. Affirmative vote.

Article #18. To see if the Town will increase the Librarian's salary from \$1,300. to \$1,550. a year.

Mrs. Smith made a motion to accept article as read. Second by Mrs. McKinney. Affirmative vote.

Article #19. To see if the Town will vote to accept the following Trust Funds:

Henri Zannoni	\$100.00
Wendell and Mary Lou Taylor	100.00
John Perry	100.00

Mr. Hicks made a motion to accept trust funds as read. Second by Mrs. N. Moore. Affirmative vote.

Article #20. To transact any other business that may legally come before this meeting.

Mr. Hicks spoke about the need of more Town Office space and moved that the Moderator appoint a committee of five, one Selectman, one Planning Board member and three citizens, to study this need. This committee is to report at the next Annual Town Meeting. Second by Mr. Cote. Affirmative vote.

 $\mbox{Mr.}$ Cote made a motion to adjourn meeting. Second by $\mbox{Mr.}$ R. Cote. Affirmative vote.

Meeting adjourned at 9:35 P. M.

Respectfully submitted,

ALICE M. TAYLOR
Town Clerk

POLICE DEPARTMENT

Again the activities for the past year show a fairly large increase in most areas. This year has been an extremely trying one for law enforcement. The increase in crime in the more serious categories such as robbery, burglary and breaking, entering and larceny have been staggering, particularly in the past six months. In New Hampshire there have been more armed robberies in the past six months than in the past several years, including one in Londonderry, our first in recent years. More safe burglaries in 1966 than in the previous three or four years, including four in Londonderry; more Breaking, Entering and Larceny in one year than in the previous three years. When translated to percentages, this represents an increase of several hundred percent instead of the usual ten to twenty percent. There can be no doubt that a serious problem exists.

In an attempt to alleviate the situation, your officers worked literally night and day. Ten and twenty hours per week of extra time were very common, and were provided without extra pay as no provisions are included in the budget for overtime. The additional twenty hours provided in the 1966 budget to alleviate the already overworked situation were not enough to compensate for the additional patrol time that was desperately needed. Because the problem was so bad in southern New Hampshire, the State Police assigned several two man patrol teams to the area and working with our own patrol on an all night basis, the problem was greatly reduced. The value of constant, efficient patrolling cannot be over emphasized. It is the best and least expensive method of crime prevention that can be provided. It also provides a mobile base from which the officer answers the complaints that are received.

It may be of interest to you to know what the Town of London-derry means to your department in terms of law enforcement and crime prevention. Londonderry has an area of nearly forty five square miles. There are nearly one hundred fifty miles of roads including about forty miles of state highway. The current assessed value of property is over fifteen million dollars with over another million dollars of public and untaxable property. The Chamber of Commerce reports over one hundred business places and a projection of census and school enrollment figures indicate a population of approximately forty five hundred people. Londonderry is far from being a sleepy, bedroom town that some people believe it to be. It is, instead, a vibrant bustling community which is making great strides in both

business and population growth.

The following illustrates part of what is expected and demanded of your regular officers at the present time:

He must be willing to work several hours per week of extra time without extra pay.

He must be willing and able to continue his educational instruction on a college level and on his own time.

He and his wife must be willing to accept a somewhat restricted social life.

He must be able to withstand the physical abuse of the drunk and the irate.

He must be willing to accept the verbal abuse of those who feel he is doing too little, or being too officious; of those whom he finds necessary to summons or arrest; and of those who know more than he about what should be done, and more than the professionals, about the proper way to run a department.

He is continually awakened from sleep to answer the phone calls. Some are emergencies, many are not.

He must have an uncommon amount of common sense.

There is and will continue to be a serious need for well qualified, conscientious and dedicated professionals within this department and it is toward these goals that we will continually strive.

The activity statistics listed below are self explanatory.

ACTIVITY	1966	1965
Accidents	119	110

REPORT OF VOLUNTEER FIRE DEPARTMENT

The Londonderry Volunteer Fire Department emergency telephone number is...432-3138. This number is manned 24 hours a day. When calling this number please remain on the line until your information is acknowledged.

Our communications system has been increased to cover the entire town, including rapid communication with the Derry Fire Dept.

The men in the Dept. have accomplished the following:

- 1. Painted interior and exterior of Stations 1 & 2.
- Installed a new tile floor in the meeting room of Station
 1.
- Installed a new well and sewerage facilities in Station
 2.
- 4. Raised the siren 20 feet, at Station 2, with the assistance of the Manchester aerial ladder.
- 5. Acquired a resuscitator through Civil Defense.
- 6. Installed a new engine in the Federal truck.
- 7. Purchased new helmets, coats, boots, nozzles, badges, rope, gloves, fire extinguishers etc.

The following training program has been achieved:

- 1. Medical self help.
- 2. Standard and Advanced first aid.
- 3. Basic pumps and hose.
- 4. Ladders and ladder rescue.
- 5. Scott air paks.
- 6. Indoctrination of new Engine 2.
- 7. Instruction on use of resuscitator.

The Department received its latest modern piece of apparatus in October, 1966. This was used on 6 major fires up to Dec. 31, 1966. This equipment is a Howe fire truck, on a F-950 Ford chassis, which has a 750 GPM pump and a 1,000 gal. tank. It is powered by a 534 cubic inch engine with 300 plus horsepower. It is equipped with radio, electronic siren, 2500 feet of hose, 2 electrically operated booster reels and 6 lighted compartments for equipment storage. This truck has been approved by the Fire Underwriters after a rigid three hour test.

The appropriated budget for 1966 was \$3,000.00.

Actual expenditures were \$7,591.36.

The differential, of \$4,591.36, was raised by department members including \$685.00 in generous donations.

Expenditures for 1966

Maintenance of trucks and building	3	\$ 828.77
New equipment		1,383.02
Gas and oil for equipment		467.92
Public service		201.68
Insurance		623.30
New England Telephone		696.56
Heat		418.50
Miscellaneous		318.31
Repairs to Federal truck		2,653.30
	Total	\$7,591.36

The Department responded to 92 calls composed of as follows:

Car fires	16	House and barn	22
Grass & woods	36	Dump	6
Rescue	2	Miscellaneous	10

The Department issued 22 oil permits.

Made inspections of buildings at Grenier Industrial Park.

Had State Fire Marshall on 2 fires.

Processed 300 calls over Red network.

Total man hours spent in training	1,068
Maintenance and fire fighting work hours	4,275
Total	5, 343

We take this opportunity to express our appreciation to the Townspeople for their wholehearted support of our work.

If you will note, in our budget for 1967, we are proposing an appropriation of \$8,000.00 to protect individual lives and to protect property which is valued in excess of \$15,000,000.00.

 $Respectful 1 y \ submitted,\\$

HOMER BREWER, Chief

WOMEN'S AUXILIARY OF THE FIRE DEPARTMENT

The purpose of the Women's Auxiliary is to help the Fire Department financially or in any other way possible.

We were proud to be able to, during the course of this past year, earn enough money, which amounted to \$642.82, for some personal equipment, and minor equipment for the trucks. Also to pay for the fireman's personal injury insurance and tile for the meeting floor.

In doing this, we held raffles, food sales, and traveling food baskets throughout the year. We also participated in the May Ball and Firemen's Muster by serving lunch and operating food booths; also decorating for various occasions. The Auxiliary serves coffee and lunch at all major fires.

We would like to take this opportunity to thank the towns-people for their cooperation in the past years; and sincerely hope for your support in the future.

Anyone interested in joining may contact the President at 432-7847.

Respectfully submitted,

JOYCE GREENWOOD

President

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

Fire records are made by people---those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

- 1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
- 2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigaretts; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres - - - a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

- 1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
- 2. Be sure all discarded smoking material is out.
- 3. Don't leave a live camp or cooking fire.
- 4. Most important Instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

Number of Fires 16 Number of Acres Burned 19 Grass and Spot Fires 17 Fire Permits 218

DANIEL HICKS, JR. FIRE WARDEN

RALPH STEVENS DISTRICT CHIEF

REPORT OF HEALTH OFFICER

This report covers the calendar year of 1966. During this period, twenty two complaints were received, investigated and acted upon by this office.

- a. Six complaints homes with overflowing sewage systems.
- b. Nine complaints unauthorized construction in process.
- c. Two complaints unauthorized presence of trailers.
- d. Two complaints farms emitting offensive odors.
- e. One complaint illegal and unauthorized dumping.
- f. Two complaints houses unfit for occupancy.

Of the twenty two complaints received, nineteen of them were resolved in a routine manner in the best interest of the town and its residents. Three of these cases however are still being reviewed and early decisions are anticipated.

During the year, throughout the Town, all lunch rooms were visited, their facilities inspected and the conditions under which food was being prepared and served were examined closely. Prevailing conditions were found to be excellent.

GEORGE W. BARRETT Health Officer

REPORT OF THE PLANNING BOARD

During the year of 1966 the Planning Board was very active. Thirty four (34) meetings were held and four (4) Public Hearings were conducted. The Board presented to the Town eighteen (18) amendments, seventeen (17) of which were adopted by the Town.

After the adoption of the changes to the Zoning Ordinance, the new changes were compiled along with other Town Ordinances in booklet form entitled, ZONING-SUBDIVISION REGULATIONS, ROAD CONSTRUCTION ORDINANCE AND BUILDING CODE.

The Planning Board has also been working on several articles, some of which will be presented at the Town Meeting.

We have been in contact with the New Hampshire Department of Resources and Economic Development on the Comprehensive Planning Study Program as adopted by the Town at the 1966 Town Meeting. We are informed that this study should be ready in March of 1967.

Since we have joined the Regional Planning Commission we have had the services of a professional planner, Mr. John Gorgin who has been at all of the Planning Board Meetings. His services have been invaluable to us.

The Planning Board has also worked with the Board of Selectmen on the development of Grenier Field. There is much work to be done in this area.

Another project has been to find out the advantages and costs of a Tax Map. It is the opinion of the Board that this is very necessary for the Town.

We are appreciative of all the assistance of the community and we look forward to the continued support and cooperation of all citizens for the betterment of the Town of Londonderry.

COLIN MCINNES
Secretary Planning Board

BOARD OF ADJUSTMENT

The work of the Board of Adjustment decreased this year from twenty five cases to twenty three cases. The following statistics will show that the appeals made under Article VIII Section "E" accounted for forty nine (49%) of the Boards work in 1966. This ratio is about the same each year. This seems to indicate that more commercial areas in town would help decrease the amount of hearings necessary for zoning appeals.

The following is the disposition of hearings held in 1966.

Article III Section "C" -- 2 granted

Article III Section "G" -- 1 denied

Article V Section 1 -- 1 denied

Article VI Section "A" -- 3 granted

Article VII Section "D" -- 1 granted

Article VIII Section "A" -- 4 granted

Article VIII Section "E" -- 8 granted - 2 denied - 1 unresolved

Respectfully submitted,

CHESTER BUTTON
Chairman

REPORT OF BUILDING INSPECTOR

This report covers a period from April 1, 1966 through December 31, 1966. During this time one hundred forty five building permits and nine permits to operate commercial establishments were issued. A breakdown of these permits is as follows:

New Homes	50
Trailers	16
Garages	17
Additions	24
Remodel	14
Industrial Buildings	2
Commercial Buildings	7
Swimming Pools	2
Barns	2
Doll House	1
Sheds	7
Foundation for Trailer	1
Green House	1
New School	1
Operational Permits	
(comm)	9

The sites and buildings involved in the permits listed above were visited at various times during the construction phases to ensure compliance with state and local health and building codes.

GEORGE W. BARRETT
Building Inspector

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Londonderry New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Londonderry Central School in said district on the 11th day of March 1967, at 1:30 o'clock in the afternoon, to act upon the following subjects:

- 1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
- 2. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
- 3. To see if the district will vote to authorize the school board to make application for, and to accept on behalf of, the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.
- 4. To see if the district will vote to authorize the school board to accept, in the name of, and in behalf of, the school district, gifts for the use of the school.
- 5. To see if the district will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.
- 6. To see if the school district will vote to appropriate the sum of \$5,295.83 for the purpose of purchasing equipment for the new North Londonderry School. Such funds to come from the monies earned by investing the school construction bond money.
- 7. BY PETITION: To see if the School District will vote to provide high school transportation to any or all high schools with which the Londonderry School District has contracts for the education of Londonderry students and raise and appropriate a sum of money not

to exceed \$11,000.00 for such purpose and pass any vote relating thereto.

8. To transact any other business that may legally come before said meeting.

Given under our hands at said Londonderry this 9th day of February 1967

HAROLD V. LLOYD

TOWN WARRANT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Londonderry in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Londonderry Central School in said Londonderry on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

- 1. To choose all necessary Town Officers for the year ensuing.
- 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
- 3. To see what rate of discount the Town will allow on taxes for the ensuing year.
- 4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
- 5. To see if the Town will accept State aid for the construction of Class V Roads, and raise and set aside for said purpose the sum of \$1,413.06, and the State to contribute the sum of \$9,420.39.
- 6. To see if the Town will vote to raise and appropriate the sum of sixty five thousand dollars (\$65,000.00) for the construction of a new Town Office Building.
- 7. To see if the Townwill vote to raise and appropriate the sum of twenty two thousand dollars (\$22,000.00) for the purpose of having prepared and completed a "Tax Map of the Town of Londonderry."
- 8. To see if the Town will vote to purchase the Hiram Cross property containing nineteen (19) acres more or less for the sum of \$10,000.00. The sum of \$5,345.58 to be raised to pay off the lien held by the State of New Hampshire, balance to be paid to Mrs. Hiram Cross at \$1,040.00 per year as town welfare.
- 9. To see if the Town will vote to raise and appropriate the sum of 5,000.00 for general improvements at Grenier Field.
- 10. To see if the Town will appropriate money to finish tarring Clark Road, North Londonderry by petition Francis C. Kelley, et al.

- 11. To see if the Town will increase the Librarian's Salary from \$1,500.00 per year to \$1,800.00 per year.
- 12. To see if the Town will raise and appropriate \$260.00 for twelve library chairs.
- 13. Shall this ordinance as proposed by the Planning Board be adopted for this Town?

AN ARTICLE RELATIVE TO SIGNS

- 1. Only those signs necessary to the business located in this town shall be permitted in any district. Special exception may be granted to businesses in towns bordering Londonderry in only those cases where this ordinance works an undue hardship on such business. If an exception is made said business shall be subject to all other provisions of this ordinance.
- 2. Signs must be durably constructed, solidly erected and maintained in a manner to be attractive at all times.
- 3. Signs shall conform to the following size limitations except on the lot where business is being conducted. Signs facing on town roads shall have a maximum surface of not more than 16 square feet. Signs facing on State Roads shall have a maximum surface footage of not more than 32 square feet.
- 4. No sign shall be erected on or be allowed to project over any public right of way.
- 5. No sign shall be erected to in anyway block or impair the effectiveness of any previously erected sign.
- 6. No flashing, distracting or animated signs shall be allowed in any district. A rotating sign composed of non-shattering translucent material and lighted from within may be located on a single vertical axis, but with no greater than fourteen rotations per minute.
- 7. Any nonconforming sign now existing may not be replaced by another nonconforming sign.
- 8. In all Districts, for safety reasons, any sign lighting fixture, whether temporary or permanent, other than gaseous tube letters in signs, shall be so placed or hooded that the lighting source itself shall not be directly visible at any point beyond the lot lines of the premises illuminated.
- 14. Shall this ordinance as proposed by the Planning Board be adopted for this Town?

AN ARTICLE RELATIVE TO COMMERCIAL PIGGERIES AND MINK FARMS

- 1. Commercial piggeries or mink farms established for the raising, care, and keeping of pigs or minks as business in any District shall not be permitted. The raising of pigs for one's own home consumption shall be permitted, providing that in so doing a public nuisance is not created and the operation does not offend by reason of the emission of smoke, noise, odors or furnes.
- 15. Shall this ordinance as proposed by the Planning Board be adopted for this Town?

AN ARTICLE RELATIVE TO MOBILE HOMES AND TRAILERS

- i. Every house trailer and mobile home hereinafter occupied as a dwelling shall be placed or parked within an established trailer court or trailer park.
- 2. The provisions of this article shall not apply to the continued use of any house trailer or mobile home now occupied as a dwelling in its present location.
- 3. This article does not prohibit a person from substituting a new trailer or mobile home for the one now existing in its present location.
- 16. To see if the Town will vote to accept the following Trust Funds:

Charles and Lillian Hall \$ 200.00 J. Parker and Ina Bell Hall \$ 200.00 Samuel F. Campbell and George H. Hardy \$1,000.00

17. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and sixty seven.

SCHOOL BOARD REPORT

The school year 1966-67 has been a period of growth. During the past year the elementary school population has increased from 653 to 747, with an additional 225 high school pupils at Pinkerton, Manchester Memorial and Alvirne.

The town, through your elected school board and the appointed Building Committee, has planned for this and future growth a new 12-room elementary school for pupils in grades 1 through 5 in the northern part of town.

The needs have been determined and land obtained, an architect selected, bonds purchased on a 15-year basis, the builder selected through competitive bidding, and the school at this time approximately 60% completed, with the opening set for the fall of 1967. This school will use electric heat which we hope will prove beneficial, especially from a maintenance standpoint.

With the opening of the new school the town will have available a total of 34 classrooms. Even with this number of rooms we must look ahead to providing more space in a year or two as there will only be one or two spare rooms.

Plans for the next years are:

- 1. The present Londonderry Central School will continue to handle all pupils south of Litchfield and Stonehenge Roads.
- 2. Pupils in grades 1 through 5 north of Litchfield and Stonehenge Roads will attend the new school in north Londonderry.
- 3. All pupils at the junior high level will go to the present Londonderry Central School.
- 4. High school pupils will continue to attend Pinkerton, Manchester Memorial or Alvirne, according to their choice.
- 5. In the next few years a new elementary school will be built in the south end of town. Land for this will be obtained during the next year.
- 6. The present five-year contract with Manchester will expire in September of 1967. However, a new five-year agreement covering our students at Manchester Memorial High School has been signed subject to the approval of the State Department of Education.
- 7. Pinkerton's long-range plans are being closely watched with a view toward the possibility of a Londonderry high school.

During the past year, while the new school in the north end was being built, two additional rooms were required. These were obtained with the cooperation of the Methodist Church and will be relinquished in June 1967.

Your principal, the superintendent and the school board have increased our education programs as follows:

- 1. The remedial reading program has been expanded, as it is realized all education depends on the ability to read well.
- 2. A special class has been formed in the higher grades under a Federal grant.
- 3. More junior high level science and language courses are planned for next year.
- 4. We are reducing the number of pupils per teacher, especially in the two lowest grades.
- 5. Next year the schools will have on the staff a full-time teacher for a Special Class such as the one held in Windham the previous year, in addition to a full-time music teacher.

Your school board wants to thank the people of the town, the selectmen, the school Building Committee and all others who have contributed their help in working for the excellent school system in our town.

Respectfully submitted,

HAROLD V. LLOYD R.F. PHILLIPS SMITH JAMES WRAY

REPORT OF SUPERINTENDENT OF SCHOOLS

To the school board and citizens of Londonderry I hereby submit my 4th annual report as your Superintendent of Schools.

New Assistant Superintendent of Schools

Mr. Bernard Ellis was elected to the position of Assistant Superintendent of Schools as of July 1, 1966 to fill the vacancy created when Mr. Ira Stickney resigned in February 1966 to assume the position of Consultant in the Division of Administration with the New Hampshire State Department of Education in Concord, N. H. Mr. Stickney will deal in problems of school construction, reorganization and school administration problems. His service to Supervisory Union #10 was much appreciated, and we wish him success in his new position.

Mr. Ellis originated from the Keene, N. H. area where he attended the local schools and graduated from Keene State College. He taught and held administrative and supervisory positions in Connecticut for more than ten years. Mr. Ellis holds advanced degrees from University of Connecticut and University of Hartford.

Growth

The fact that we live in a growing community is now quite well established but the amount of the growth yet to come is still subject for speculation and will no doubt overshadow anything we can imagine at the moment.

Some factors that researchers have brought to light for our consideration are:

- 1. The population of the United States will more than double during the period 1960 to 2000.
- 2. The population of the world will more than double during the same period.
- 3. Medical Science will continue to increase life expectancy of a person living in the United States.
- 4. Technology will continue to affect the work week and job opportunities.
- 5. Mobility will continue to be a way of life.
- 6. Interdependence among various regions of the country and various parts of the world will continue to grow.
- 7. The population of New Hampshire is expected to nearly triple over the next 60 years. Reduction of the birth rate on a

national scale has led to revision of the total population increase for New England. However, New Hampshire has witnessed a larger total population increase than predicted by the 1960 census. Immigration is expected to more than overcome the decline in natural increases and continue New Hampshire's trend.

The problem of providing quality education will increase in difficulty as the population continues to grow.

The impact of expanding costs of education is keenly felt by the home owner. I feel strongly that other sources of taxes must be explored in order that the property owner will be able to share the heavy burden of education costs and also provide for the many other civic improvement demands that a growing town needs.

Londonderry has repeatedly built additions to the Central School which have been occupied and then overcrowded by the moving-in of new pupils.

The school board has planned a long-range program of building which is well into phase one with the new North Londonderry Elementary School now under construction. This new school of 12 classrooms, expandable with a future addition to 18 classrooms, is due to open in September 1967. The school will house grades one thru five in all probability.

Phase 2 of the construction program will be the building of a duplicate of the new North Londonderry Elementary in the southern area of town probably south of Route 102, the Derry to Nashua Road. This school will also be for elementary grades.

Phase three concerns the present Central School and its possible use as a Junior High School and further possible expansion, in the future, as a Junior-Senior High School. When the school in the south is built, some rooms in the present Central School should be converted for Junior High educational use such as Industrial Arts, Home Economics, Language Lab and Science Labs. This would enable our junior high curriculum to keep pace with the needs of our sixth, seventh, and eighth grade students.

There is an urgency today that demands a close and critical look at much that we are now doing in education for the Junior High School years. Change growing out of knowledge about adolescence and society is needed in most Junior High Schools today. The direction of change in Junior High education should be guided by fundamental needs of all young people in our complex democratic society.

I believe that the most serious problems facing the citizens of Londonderry as far as their children are concerned are:

- 1. The High School problem--crowded conditions at Pinker-ton--need for close co-ordination between Junior High and High School programs.
- 2. Need for additional classrooms--even with the opening of the new North Elementary School, rooms will be needed in a very few years.
- 3. Class size--Grade one enrollment should be 25 or less and all other grades should not exceed 30 pupils.
- 4. The Junior High curriculum should add Industrial Arts, Home Economics, Language Lab and Science Lab.

I also wish to extend grateful appreciation to the citizens of Londonderry, School Board, School Building Committee, Parent-Teachers Organization, for their efforts in behalf of the boys and girls of the town.

A special thank you to Mr. John Bone, Principal, for his fine, capable leadership which has been of great value to the teachers and students of Londonderry. The teachers, nurse-teacher, and custodians are to be commended for all that they do for the boys and girls.

I wish to express special appreciation for the fine work and many extra hours given by Mrs. Betty Smith, school secretary, that help to make our educational effort directed in a smooth manner.

Respectfully submitted,

ROBERT W. DOLPH
Superintendent of Schools

ASSISTANT SUPERINTENDANT

It is my pleasure to hereby submit my first Annual Report to the people of Londonderry.

Having assumed my duties as of July 1, 1966, it is only possible to make general comments concerning your school system.

Of particular interest to the town should be the opening of a new elementary school this fall. This new facility will enable us to better meet the classroom needs of our students. This new facility will include a central library and remedial reading room. These two areas will enable the school administrator to develop a curriculum resource area for his teachers.

The curriculum project committee has selected consultants who will work with each committee from time to time during the study. Mr. Howard Beatty from Newton, Mass. will work with the Social Studies group and Dr. Richard Chambers, from Boston University, will work with the Language Arts committee. It is the aim of these committees to develop a curriculum guide that is designed for the students and teachers of Londonderry.

A pilot-testing program from Science Research Associates was conducted at the seventh grade level this fall. The information derived from these tests proved to be most useful to the teachers and administration. This testing program will be broadened to include a greater number of students starting in October 1967.

As a rapidly growing community, we have been confronted with the usual problems of additional space, and expanding educational programs. However, with our interested townspeople and the dedicated School Board, progress is being made toward an excellent educational program for our students.

I would like to thank the citizens of Londonderry, the School Board, Mr. Dolph and the members of the staff for making the return to New Hampshire a pleasant experience for my family and my-self.

Respectfully submitted,

BERNARD J. ELLIS
Assistant Superintendent of Schools

REPORT OF THE PRINCIPAL

In September of this year we opened the doors to 660 pupils who occupied 22 rooms, the capacity of the school. This increase had already been foreseen, for a building committee was hard at work with the school board identifying needs and formulating plans.

The staff was increased by two over the previous year. This added seven new teachers to the fifteen we were fortunate in retaining. We were also fortunate in receiving the services of Mrs. Trudy Christian as our new remedial reading teacher.

This year was a year of several FIRSTS in curriculum improvement. With the addition of French and Art to the curriculum many more children could find their special talents and interests satisfied and improved upon. We are indebted to Mr. Donald Jobin and Miss Catherine Kuzminski who readily volunteered their services to bring French and Art to the children of Londonderry.

With school district approval our children were able to benefit from two Federal programs, Title I and Title II of the Elementary and Secondary Education Act. Our library facilities were improved by the purchase of some \$1100 worth of books and materials under Title II. Title Iwill enable us to have a special class for 6th, 7th and 8th grade boys who have language and reading problems. This will be one of the only classes of its type in the area. I'm sure it will be a great benefit to these boys under the able guidance of Mr. Lowell Canovitch and Mrs. Trudy Christian.

Also with Title I money and the planning of Mr. Dolph and his assistants the area of remedial speech was included in our services. Every Friday for a full day a speech therapist identified and treated special speech problems among our school children. We hope this program can be continued.

Another first was our participation with Windham in a class for slow learners. This has been sorely needed, for it is impossible to meet the special needs of these pupils, especially in already overcrowded classrooms.

The remedial reading program was beneficial in helping to identify specific reading problems and in prescribing ways to meet them.

If as many gains can be made in the ensuing years as have been made this year several new areas must be considered: physical education, counseling, manual training, home economics and art full time.

With the approval of a new 12-room school for the children in grades 1-6 in the north end of the town, the housing problem has been taken care of for only a few years. However this is only part of the school needs; the other side -- improved curriculum and teaching -- must also be considered equally, for a school is only as good as its teachers and their handling of the learning process.

I am very happy to have had the opportunity of working with so many fine and able people without whose help and assistance the year would not have been so successful.

Respectfully submitted,

JOHN W. BONE Principal

SCHOOL HEALTH REPORT

The role of the school nurse in the school system is often misunderstood and needs clarification.

The nurse is subservient to the requirements of the State Board of Education. She must obtain 30 credits (all required courses) beyond her R. N., at the rate of 3 per year, or 6 every 2 years. The list of required courses and demands for certification were set up in 1963. Courses, not on this prescribed list, taken by the school nurses prior to 1963, are not valid toward the 30 credits. This means that nurses with many years of experience are working exactly the same as newer nurses toward certification by the State Board of Education.

The school nurse is also on the teachers' retirement system and belongs to the teachers associations as well as the school nurse associations.

Most school nurses do not conduct regular formal classes unless they are accredited to do so, but they are involved with the student in many learning situations and may conduct informal classes as situations arise. The school nurse acts as a consultant and research person for the teacher and is the liaison between the home and the school.

The foregoing may explain why the nurse in the school is called a school nurse-teacher.

The physical, emotional and mental health of each student is the concern of the nurse. Therefore, she must be prepared to meet more than the numerous emergencies of a physical nature that arise. She discusses each child with the teacher, and the parents, when necessary. She must know the many available agencies and resources for the help or treatment necessary for each individual child. Parents should feel that they can call upon the school nurse for help in any area. This does not include diagnosis or treatment by the nurse, as these are the responsibility of a doctor. The nurse may suggest or recommend. Neither the nurse or a teacher may give aspirin or any other medication unless the child has a prescription medicine. In this case the parent should call the nurse and discuss arrangements for the dosage and the time to be given. Parents are advised to confer with the teacher or nurse whenever a child is taking any type of medication, including tranquillizers. The best learning takes place when an environment most suited to the child can be provided with complete knowledge of the individual child.

The more familiar aspects of the health program include the testing of vision, hearing and tuberculin testing. A dental program,

sponsored by the P.T.A., provides a budgeted amount of dental care to those children needing it. In conjunction with this program the state dental hygienist provides aids and material to the teachers for dental instruction. Immunization clinics through the State Department of Health are held as often as possible with the school nurse working in cooperation with the district nurse. Any referrals resulting from the testing program may be discussed with the nurse, and help is given when sought by the parent.

All cases of communicable disease should be reported to the school as it is an aid to the nurse and other parents in watching for symptoms during epidemics. A child must stay out of school a minimum of seven days with all communicable diseases except German measles, in which case five days are sufficient. He does not need a certificate to return to school at the end of that time but must be free of all symptoms. In cases of skin diseases such as impetigo and ringworm a doctor's certificate is required in order to return to school. Only a doctor can determine when these are no longer contagious.

The support and cooperation of all parents is necessary to maintain a healthy school environment. This is our primary concern as it is essential as a basis for better learning.

Respectfully submitted,

RAE SIVES
School Nurse-Teacher

REPORT OF THE SPEECH THERAPIST

To the Londonderry School Board and the Superintendent of Schools:

A speech Therapy Program has been organized and instituted with Title I Federal Government Funds provided for Supervisory Union #10 in elementary schools of Auburn, Derry, Londonderry, and Windham.

This program has been in existence since February, 1966 and until June of last year five graduate students of Speech Pathology were employed on a part-time basis for this School Union. During this time approximately 100 children were seen for one-half hour weekly in a small group or individual session.

A seven week summer program followed providing more extensive service for the children and allowing considerable parent participation. Approximately 40 children attended, usually twice to three times weekly.

The program has continued for the 1966-67 school year but because funds have not been available, a full day of this program has been eliminated. More extensive services are now needed in these areas as the population is so rapidly expanding.

Respectfully submitted,

DIANE WOOD
Speech Therapist

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 28, 1966

The School Board Londonderry School District Londonderry, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Londonderry School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets - General Fund Account: (Exhibit A-1)

Comparative Balance Sheets, General Fund Account, as of June 30, 1965 and June 30, 1966, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$16,667.85 during the fiscal year ended June 30, 1966.

Comparative Balance Sheets - Building Fund Account: (Exhibit A-2)

Comparative Balance Sheets - Building Fund Account, as of June 30, 1965 and June 30, 1966, are presented in Exhibit A-2.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Bonds Paid During Year

Increase in Net Debt

Net Budget Deficit \$1,046.98 Surplus Used to Reduce School Tax 7,285.17

> 8,332.15 \$16,667.85

\$25,000.00

Net Decrease

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of \$1,535.44, less a revenue surplus of \$488.46, resulted in a net budget deficit of \$1,046.98.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

School Lunch Program Account: (Exhibit G)

A statement of the School Lunch Program account for the fiscal year is included in Exhibit $G_{\scriptscriptstyle{\bullet}}$

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax account with the Town of London-derry is presented in Exhibit H. As indicated therein, as of June 30, 1966, the School District had received from the Town the total amount of the 1965-66 School Tax of \$256,618.75, plus an advance on account of the 1966-67 School Tax of 12,500.00. The advance is included as a liability account in the Balance Sheet of June 30, 1966 (Exhibit A-1).

Building Fund Account: (Exhibit I)

A statement of the activity in the Building Fund account during the fiscal year is included in Exhibit I.

Statement of Bonded Indebtedness: (Exhibit J)

A statement of the outstanding bonded indebtedness as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit J.

General Comments

Current Surplus or (Deficit):

The current financial condition of the School District changed from a current surplus (excess of total assets over current liabilities) of \$7,285.17, to a current deficit (excess of current liabilities over total assets) of \$1,046.98, during the fiscal year ended June 30, 1966, as shown herewith:

	June 30, 1965	June 30, 1966
Total Assets	\$9,954.11	\$8,625.60
Current Liabilities	2,668.94	9,672.58
Current Surplus or (Deficit)	\$7,285.17	\$1,046.98

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Londonderry School District for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Londonderry School District for the fiscal year ended June 30, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler
Director
Division of Municipal Accounting
State Tax Commission

Frederick E. Laplante Hugh J. Cassidy Auditors

ENROLLMENT

HIGH SCHOOLS

The following tabulation shows the number of high school pupils, by grades, attending various schools and their respective tuition rates.

School	9th	10th	11th	12th	Totals Tuition Rate
Pinkerton	46	38	39	16	139 \$490.00
Memorial	18	31	18	11	78 506.46
